- Latest high grade engineering plastics
- All plastic parts are moulded with great precision
- Light weight blades that consumes less energy producing more air movement
- Moulded blades eliminate the use of blade holders making it easier to install
- Low noise making the fans ideal for bedroom use
- UV resistant for longevity
- Non-rusting, anti corrosive making it suitable for indoor/covered outdoor use
- Motor winding is pure copper
- Motor lamination is made of high grade electrical silicon steel for efficient and trouble free running
- Motor is assembled in a computerised production line with great precision to eliminate unwanted wobbling
- Reversible airflow for summer/winter use
- Easy to install with quick fix connectors
- Includes 3 speed wall control with light switch
- 6 year warranty, 2 year in home + 4 years parts warranty
